Drascombe - Lugger Mk2

£ 3,950

Description

OUR REF. † AYB00985 GENERAL Cutty Stark is an early Mk2 Drascombe Lugger with some of the earlier fittings of the mk1. This places her as a 1976 boat. Her owner of the last 21 years has used her lightly, trailer sailing her mainly to Drascombe Association events and the odd holiday to the West Country! She has remarkably few knocks, the decks are excellent, her teak joinery is very good (Though could do with some re-varnishing!) She has additional buoyancy in the form of air bags, the later cranked centerplate to minimize water coming up through the case and new manual bilge pump. She comes with lots of equipment and is ready to sail. BUILDER Honnor Marine Ltd. 1976. Hull number Unknown.
